Big Take Away

Our biggest takeaway from this season has been witnessing how abundantly God has blessed us in this new chapter as missionaries. The support we've received - both prayerfully and financially - has been overwhelming in the best way possible.

PRAYER & THANKS

* Farm Ministry

Pray for wisdom and guidance as we pioneer the farm ministry project for the YWAM base, staff, and local families. This is a big undertaking that we believe will bless many!

* Mission Teams & Schools

We have two mission teams and two schools in January-February. Pray for safe travels, open hearts, and God's powerful work.

* Housing

Continued prayers that we find an affordable home that works with our budget. Now that we have a car, we have more options, but we're trusting God's timing!

Wedding Day

We Got Married!

What an incredible end to 2025! We're thrilled to share that on November 29th, Viviana and I officially became husband and wife at the YWAM base here in Panama.

The day couldn't have been more perfect. We were surrounded by so many family and friends who came to celebrate with us, and we felt God's presence throughout the entire ceremony. Starting this new chapter of life together as a married couple serving in missions has been everything we hoped for and more. We're grateful to everyone who prayed for us and supported us leading up to this special day!

We got wheels!

A huge praise - we were able to purchase a car! This has been such a blessing and opens up our housing search significantly. We're no longer limited to just walking distance from the base, which gives us many more options as we continue looking for the perfect home.

"The LORD himself goes before you and will be with you; he will never leave you nor forsake you." - Deuteronomy 31:8

Full Steam Ahead

Our transition into full-time YWAM staff has been amazing! We settled in quickly and hit the ground running with our ministry roles right away.

Noah's Ministry Focus:

I've been deeply involved in an exciting new project. We're working out a plan to construct a farm for the YWAM base, staff living off base, and local families. This farm ministry is something both Viviana and I are passionate about pioneering in 2026!

I also had the incredible opportunity to work on the Oral Mother Tongue school. Together with another staff member, Mora Peterson, we recorded worship songs in tribal languages sung by the students themselves. We were able to capture worship songs in 3 different tribal languages! Hearing God praised in these native tongues was truly moving.

Viviana's Ministry Focus:

Viviana has been actively involved with the Avicola Camp ministry, where our women staff connect with the women of the camp through fun games, crafts, and Bible teachings. Meanwhile, other staff and Hogar students work with the kids and young adults, sharing crafts and biblical truths while their moms are in the women's session.

She's also been helping with the Hogar school, going out for street evangelism and really building relationships with the local community. Watching her connect with people and share the Gospel has been inspiring!

Viviana's Ministry Focus:

Looking ahead to 2026, we're expectant for all God will do! Our main focus is pioneering the farm ministry—serving YWAM staff and blessing local families. We'll also help with the many mission teams coming to the base throughout the year. God has been so faithful, and we're excited to see what He has planned. Thank you for journeying with us!

We Need Your Help!

The success of missionaries throughout history has always relied on the prayers of those who are committed to interceding. Please pray for us regularly!

We're so grateful for how God has provided! Our monthly support has reached \$1,023 toward our \$2,000 goal. This helps cover housing, food, ministry expenses, healthcare, and other essentials.

If you're led to partner with us monthly, you can give through Mission Enablers International (MEI) or Venmo.

If you would like to connect with us or arrange a visit, the best ways to reach us are via email or through a message on WhatsApp. We truly enjoy hearing from you and sharing the wonderful things God is doing!

Thank you for being such a remarkable support team. We couldn't do this without you!
